School Board of Sandown

January 15, 1925.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 9, 1925.

To the School Board and Citizens of Sandown:

This is my fifth annual report to you. Parts of it refer to the year 1923-24 and parts to 1924-25.

HOW MANY OF SANDOWN'S CITIZENS WILL HAVE A HIGH SCHOOL EDUCATION?

During the last five years only 9 per cent of the boys and girls of Sandown have entered High school. That is, out of every 10 pupils that enter grade I, only 1 continues into high school. The average of the other towns of the State is 58 per cent. Sandown has by far the lowest percent of any town in this union.

The future social welfare of Sandown demands that more of its citizens obtain a high school education. The town will neither be able to attract or hold a desirable type of citizens if it continues to have a percent so far below that of other towns. In East Kingston over 90 per cent enter high school.

Percent of Grade I that Continue into High School.

In N. H. ————— 58 per cent.

Sandown ————— 9 per cent.

Recommend going to high school to all Sandown boys and girls and their parents.

Of course, Sandown is so located that it is more difficult to send the pupils to high school, but it is not impossible.

EDUCATION WEEK.

Education week was observed in November, 1925 by extending special invitations to the citizens to visit their schools. The response was very satisfactory. As a result there were 40 visits made the schools by adults during the week.

ALL TRAINED TEACHER:

For the first time in history Sandown is fortunate enough to have a trained, normal graduate teacher in every school. One of the slogans of the educators of the nation today is: A trained teacher in every school." Sandown has them.

HONOR PUPIL IN TESTS OF JUNE 1924.

In the tests given in June, 1924, by the superintendent, Olive VanAnnan excelled all other pupils in the Union in Geography and grammar. She tied with a Kingston pupil for honors in arithmetic.

STATISTICS BELOW

The following statistics will be found below:

1. Pupils not absent or tardy in 1923-24.
2. Eighth grade graduates of June, 1924
3. Sandown pupils in high schools, 1924-25
4. Staff of teachers, 1923-24

Respectfully submitted,

FRED E. PITKIN,

Supt. of Schools.

ATTENDANCE STATISTICS 1923-1924

Notice that the per cent. of attendance, 93 per cent was higher than it has been for two years and nearly equal to the average for the State which is 93.5 per cent.

Also notice the extremely large amount of tardiness in the Clark School. Each pupil averaged to be tardy nearly 6 times. The State average is 1.6 times.

Pine Grove pupils did well and were tardy but an average of 1 1 times.

State figures on a basis of three schools for comparison with Sandown.
